NEW YORK STYLE PIZZA
#famousOsNYstyle

We believe a pizza is only as good as the ingredients that make it. What truly defines the best pizza are the quality of ingredients used and the bakers behind the pies.

Why do they call New York Style pizza, "New York Style"?

New York Style pizza is sold by the slice, and by the whole pie. Characterized by its large size (usually 16" to 20" in diameter). It has a thin, foldable, floppy, yet crispy crust, sweet tomato sauce and aged mozzarella.

Dine-in, take a pie home or let us deliver whole pies to you!
